Major General Leonard H. Perroots
Assistant Chief of Staff, Intelligence
Department of the Air Force
Washington, D.C. 20330

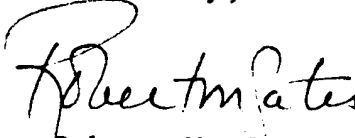

Dear General Perroots:

Please commend [] for his outstanding performance as the Air Force Representative for NIE 11-3/8-84/85. [] personal contribution played an important role in the completion of this highly complex estimate.

[] excellent grasp of the wide range of substantive issues covered by the estimate, his superior analytical ability, and strong communication skills made him both an effective representative of his agency and a valued member of the estimate team. [] worked hard both at the table and between coordination sessions to improve the quality of the estimate. On several key issues, he assisted the management team in improving the clarity and presentation of the main text. In those areas where the Air Force position required an alternative view, he drafted language that was clear and relevant. He was always responsive to the requests of the management team.

Please convey to [] and to those that supported his efforts, my appreciation for their outstanding performance.

Sincerely,

Robert M. Gates
Chairman
